# DEDICATION

MISS ALICE HETTY RECORD

*It is to the quiet sweet little lady who is always on duty in the registrar's office that we of the annual staff dedicate the 1955 Highlander. Miss Record, we want you to know that we appreciate the importance of your service. We are especially grateful for your patience in adjusting individual schedules, in answering innumerable questions, and in making transcripts for us.*

*You hold the only official record of our college life and we hold you in esteem as our recording angel.*

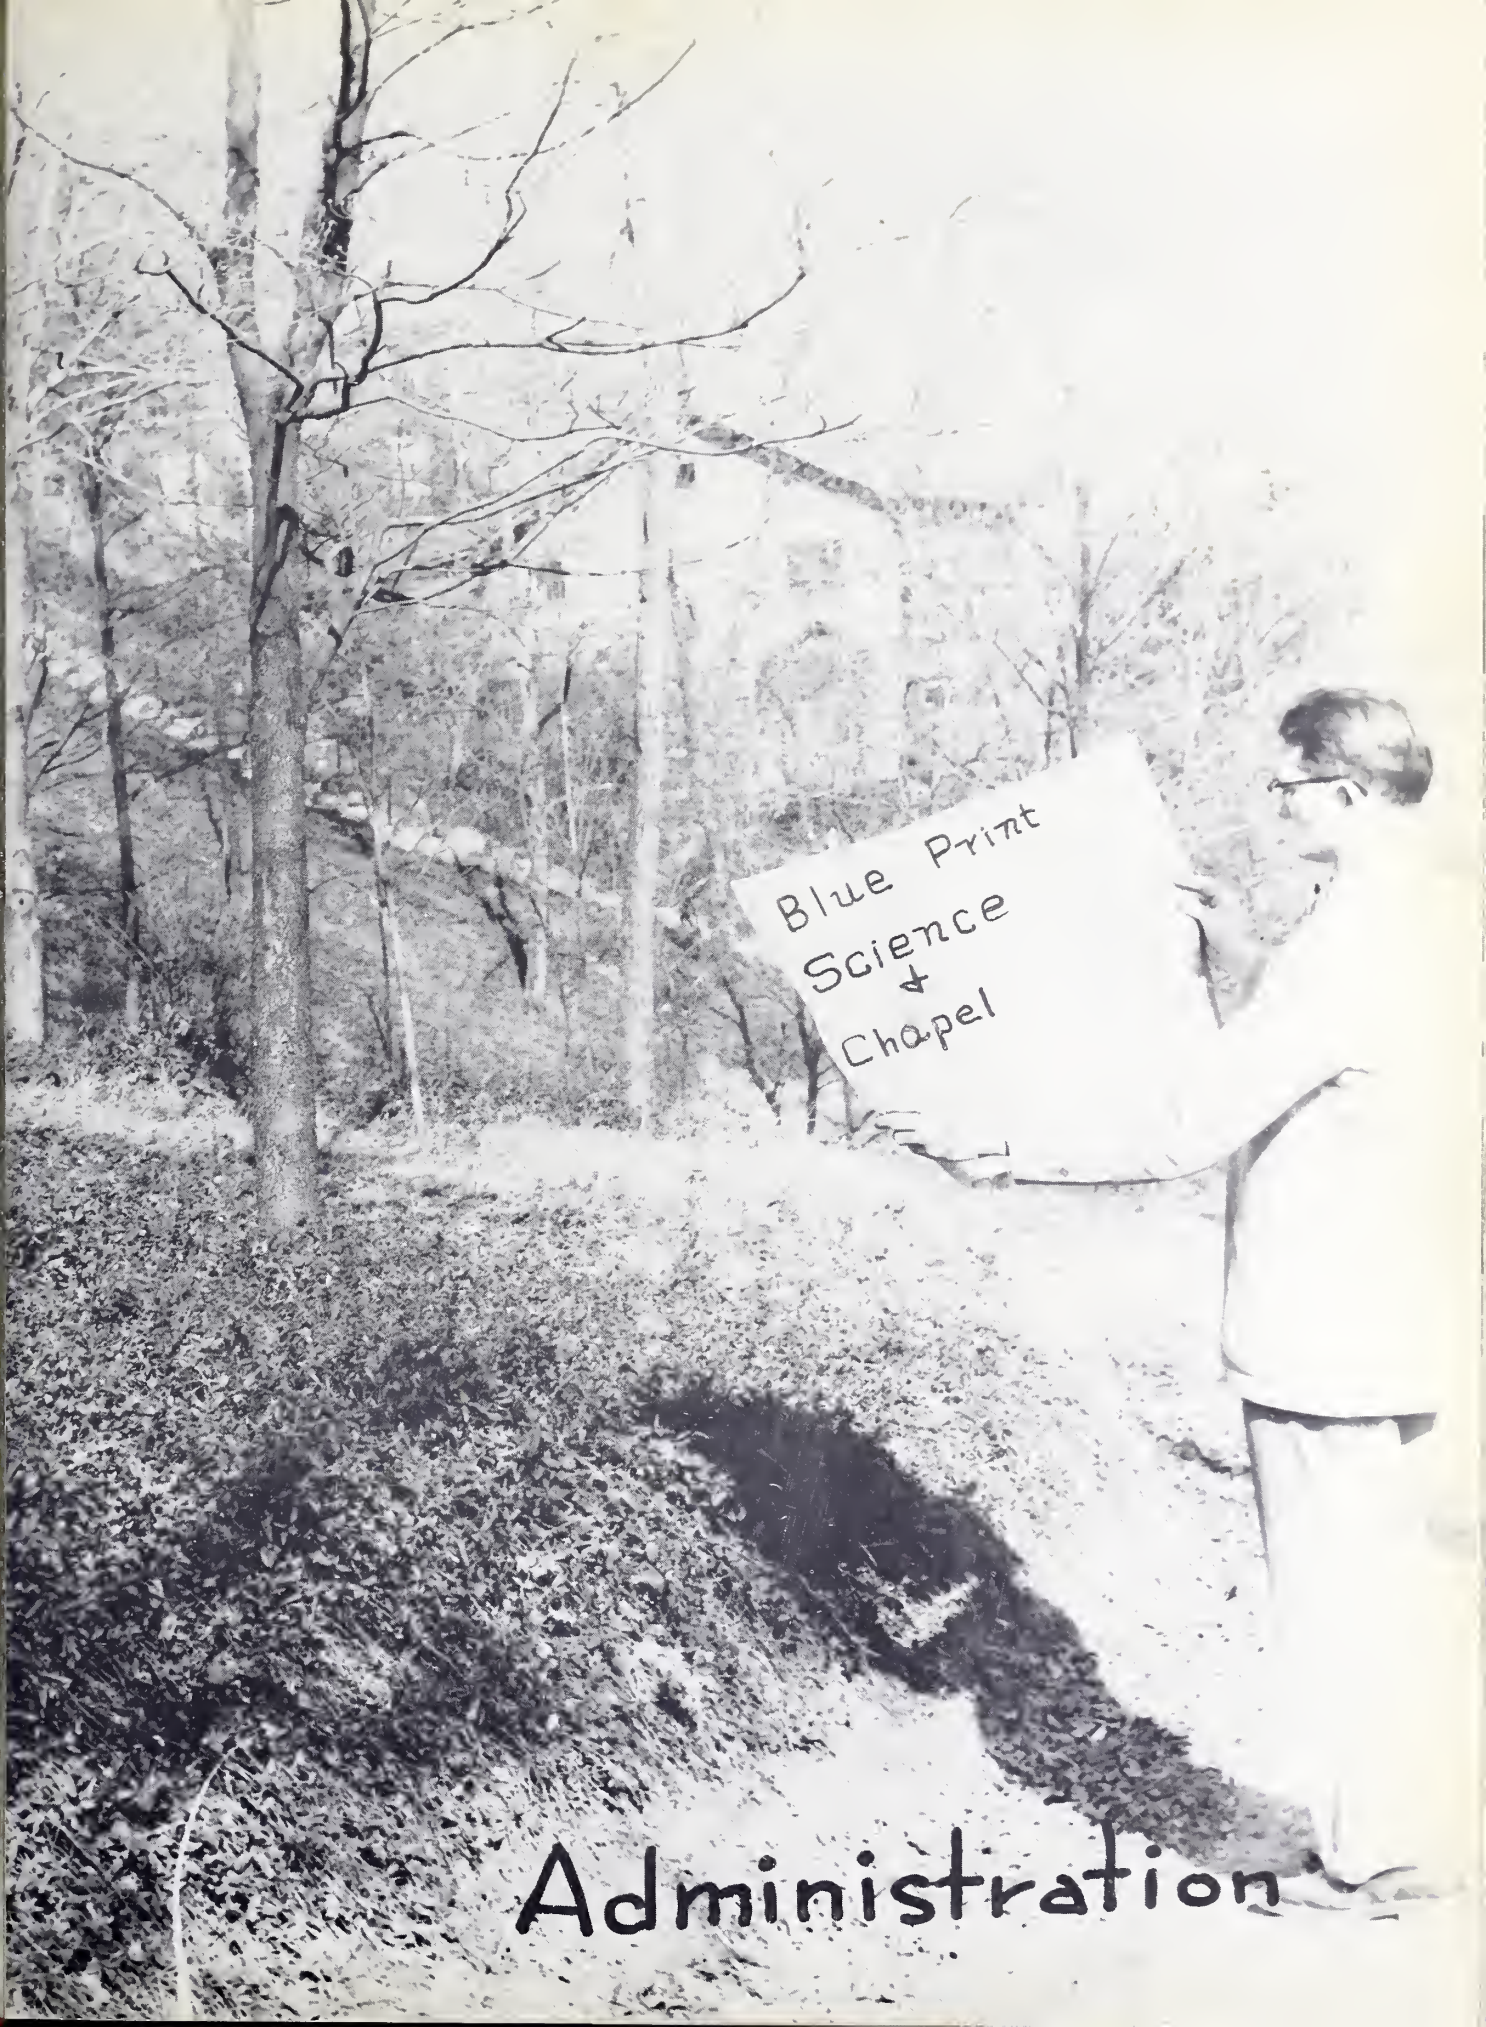

## IN MEMORIAM

It is with a deep sense of loss that the students of Pikeville College concur with the Board of Trustees in their resolution on recording the death of Mr. Thomas H. Harman and Mr. John Scott Miller, which occurred this past summer.

Mr. Harman was the oldest Board member in point of service. His association with the College had been one of great intimacy and extreme interest. No phase of the college work was ever too insignificant to command his attention, and no moment was ever too large to challenge his enthusiastic support. Few families have had a more intimate association with the College than that of Mr. Harman's.

Mr. Miller had been a member of the Board for many years and had always looked upon his trusteeship as a serious and challenging responsibility. Every phase of the College work had his deep interest but he was especially interested in the program as contributing to the spiritual growth and development of the students. He was ever willing to give liberally of his time and of his means for the on-going work of the College.

# P R E S I D E N T

In bringing greetings to a very fine graduating class, I am certain that all the faculty join me in wishing for you great success in your life ahead. Let us remember, however, that success is measured by the positive and constructive things we do, rather than by those things which apparently bring fame — very little is said about Thomas in the Bible, but we do not forget that it was by his efforts that the great apostle Peter was brought to Christ.

If, ten years from now, each member of the graduating class can look back on life and truly say that he has given honest effort to each task undertaken, this will be a truly successful and great class.

## D E A N

There are fine things, and there are common things. A person must learn to choose between them. He who chooses the fine will pay more in effort, but his will be the lasting satisfaction of attainment. A college education requires effort and sacrifice, but it is well worth its price. May these pages, as you turn them in years to come, only bring you satisfaction and happiness in the knowledge that you chose the best.

Although the Sophomores were defeated by the Freshmen in the annual softball game, they were a good class according to their sponsor. They rate above average scholastically and are recognized leaders on the campus. Thumb thru the school paper or the Highlander and you will see the varied interests and abilities of the class. In courses of study they are represented in the following proportions: Business 11, Teachers 28, Scientific 7, General 15, Pre-Med 7.

## FRESHMAN CLASS '54-'55

President, BILL SCOTT  
Vice President, BRETT SCOTT

Secretary, DONALD BLACKBURN  
Treasurer, HELENA YATES

Lots of young people doing just fine,  
Boast of a class of two hundred nine,  
One hundred nineteen boys have we  
Ninety young girls lovely to see.

Eight of the states are represented here  
Ohio, Pennsylvania, and Kentucky, dear,  
Virginia, West Virginia, and the Minnesota crew,  
The fair state of Michigan and Tennessee too.

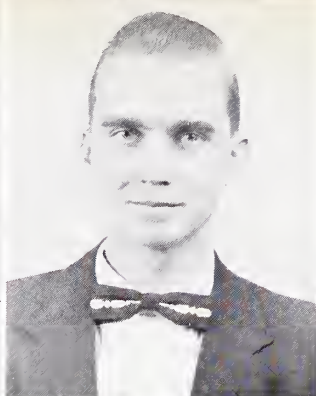

One boy comes from a far off land,  
And we the freshmen think he's grand,  
When he returns to Korea, it will be our prayer,  
That what he has learned here will shine over there.

With our sponsor Miss Elkins to steer us,  
We'll always have some one to cheer us,  
And this freshman class will always stand,  
As the finest class in all the land.

# COLLEGE GLEE CLUB

The College and the Academy Glee Clubs live up to their names in spirit as well as in action. The happy faces in these pictures prove it. They have been the Pirates (of Penzance), Christmas Angels, and spring festival participants. They can be most anything you want them to be and never disappoint your expectations. They have and will continue to do so through the years to come. Good luck!

Twenty-two Pirates of Penzance captured the enthusiasm and ran away with the interest of Pikeville College and community for two nights last winter. Fifty-one secluded chorus members joined in the steal. They were ably commanded by Mrs. Hatcher and Mr. Albert and abetted by Miss Heindrich.
